

When did your god get serious about marriage ?

Those of you who refuse to stop falsely accusing remarried Christians....When did your god get serious about marriage ?

Seriously...

I mean, God creates marriage to be taken seriously in the garden.

Jesus comes along and tells us that marriage is serious too.

So supposedly during the Mosaic covenant some false doctrines are clearly having to say that God wasn't so serious about marriage.

Think about it.

These people are asking us to believe that our unchanging God CREATED marriage to be taken seriously, then had His Son confirm that fact, but for some reason during the entire duration of the Mosaic covenant decided that marriage was so UNimportant that He even gave a law (Deut 24:1-4) to allow marriage to be cast aside without just cause.....THEN supposedly CHANGES His mind yet again when Jesus comes and decides that, once again, marriage is to be taken seriously.

Really ?

They expect us to buy this garbage ?

Seems to be the case based on the junk doctrine they push out that, remarkably, is very similar to the same error the Jews believed and pushed...that Deut 24:1-4 and the writ of divorce is a 'permission' to cast out a wife, rather than what it is...what law is....a REGULATION with the intent to EXTIRPATE wrongdoing.

The Jews, like some of these heretics today, twisted the INTENT of Deuteronomy 24:1-4 into a 'permission' by Moses to divorce.

The Jews also ABUSED the INTENT of God's word in such a way as to keep an innocent wife cast out by her husband from being able to remarry.

Oddly enough these are two hallmark beliefs of these marriage wrecking false teachings today.

Those who have understood God and the scriptures know that God NEVER changed in the matter of marriage. Why would God cater to sin by literally giving law TO PROMOTE man's sinful behavior??

Does GOD give in to sin?

Absolutely not.

They also understand that Deuteronomy 24 and the writ of divorce isn't 'permission' to divorce. It is REGULATION laid out to put RULES down for these hardhearted men who, since at least Leviticus 21, were casting away their wives without just cause...for some ambiguous 'uncleanness' that was definitely not sexual immorality which is covered just two chapters before in Deuteronomy 22.

Those who truly comprehend the Lord's scriptures understand that our Lord is no schizophrenic who couldn't make up His mind whether marriage was serious to Him or not.

OUR UNchanging God was deadly serious about marriage the ENTIRE span of time from the garden all through the ages until today.

One day maybe these who preach maritally destructive heresy will come to comprehend the TRUTH and relinquish their death grip on error.
